

**WE WANT YOU  
TO SELL OUR FILTER BAGS**

# NEEDED: Distribution team to bring the best sealing filter bag to the market's attention!

**WHY?** Rosedale is now manufacturing the best filter bags in two locations.

We are producing our own felt... in a controlled environment, ensuring purity and consistency as well as competitive pricing.

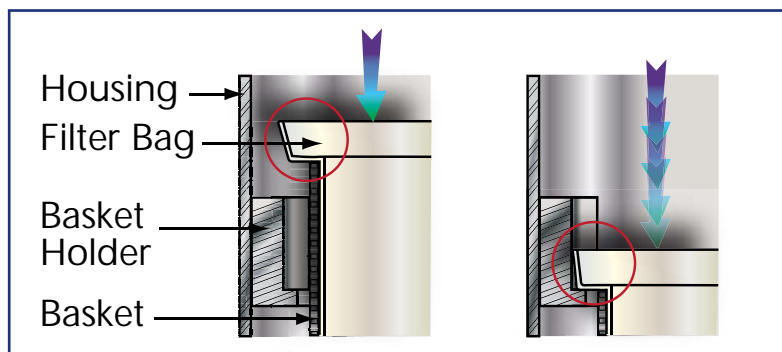

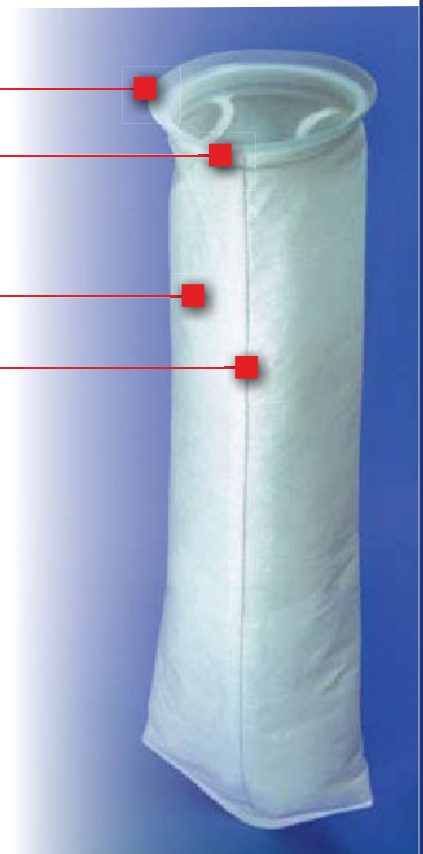

Our new RPO Bag offers the best bag-to-housing seal in today's marketplace. It's the only bag that will guarantee a positive seal every time.

Plastic collar attached into opening. \_\_\_\_\_

Collar has integral handles as a standard feature, making removal faster and easier. No metal to worry about. \_\_\_\_\_

Standard felt finish is glazed. \_\_\_\_\_

Optional welded or sewn construction. \_\_\_\_\_

**WHY?** Inventory-Ready to Ship.
